

Euro Panels Overseas N.V. guarantees that, at delivery, the technical characteristics of the ETER-COLOR panels are in line with the Euro Panels Overseas N.V. product specifications and reject boundaries. Euro Panels Overseas N.V. guarantees, for a period of 10 years from delivery, the durability of the ETER-COLOR panel in an application on the condition that the ETER-COLOR panel has been installed and maintained according to the Euro Panels Overseas N.V. application instructions and this in normal conditions of use and a normal atmospheric environment. Euro Panels Overseas N.V. does not guarantee ETER-COLOR panels in an application which was not approved by Euro Panels Overseas N.V.

ETER-COLOR is a panel that is coloured in the mass with a non uniform aspect and inclusions - typical for cement products - and with colour shades in the surface. The aspect of ETER-COLOR can evolve in time while it retains his typical aspect.

Each ETER-COLOR panel which is recognised by Euro Panels Overseas N.V. to be defective for the above mentioned specifications, Euro Panels Overseas N.V. will supply new ETER-COLOR panels or equivalent panels free of charge exclusive costs for removing and installation of the ETER-COLOR panels and other costs.

Euro Panels Overseas N.V. is not responsible for loss of profits, missed opportunities, envisaged cost savings, loss of production or for any incidental, indirect or consequential damages, directly or indirectly sustained or for any loss caused by the sales, storage or application of the ETER-COLOR panels.

This guarantee is valid on the condition that Euro Panels Overseas N.V. is informed in writing within a period of 8 days after the first ascertainment of any damage and on condition that Euro Panels Overseas N.V. will be given sufficient opportunity to inspect the damage.

This guarantee does not cover defects caused by faulty handling, storage or application, chemical or abnormal biological harmful effect, exceptional circumstances such as a storm, a flood and Acts of God, falling objects, pollution caused by dust, soot, paint or damage in general caused by external mechanical factors, vandalism, breakage or scoring and any other degradation which could easily have been avoided by regularly checking and maintaining the ETER-COLOR panels.

Euro Panels Overseas N.V. reserves the right to revise the product specifications and application instructions at any time without prior notice or compensation.

One should always make sure to use the last version of the documentation.

This guarantee is exclusively governed by the Laws of Belgium. Any dispute resulting from the interpretation and performance of this guarantee will be submitted to the exclusive jurisdiction of the Belgian Court.
